This includes any applicants who wish to support their own applications or just want to hear what the Parish Council decides. Councillors only may ask further brief questions to clarify a point. Councillors who have a disclosable pecuniary interest in an application will leave the meeting table and not take part in the discussion. Supporters, objectors and applicants cannot take part in the discussion but their views will be considered carefully and it is important that we hear directly from you. The decision-making process as far as the response is concerned remains that of the Parish Councillors.
